April 1

CONFERENCE

8AM - 2PM
Legacy Lodge Grand Ballroom

INTRODUCTION TO NGA

Get to know the Natural Gas Association of Georgia. Join our Board leaders and members for a fireside chat on how NGA is fulfilling its mission to promote and advocate for the safe, direct use of Natural Gas.

ASSOCIATE MEMBERS & BUSINESS PARTNERS PANEL

Our fireside chat continues with panelists of vendors and suppliers addressing recent attacks on the industry and what they are doing to support natural gas.

NETWORKING BREAK

Meet our sponsors. Make new connections and say hello to industry friends and partners.

NATURAL GAS IN GEORGIA: STATE OF THE INDUSTRY MARKETING + ADVOCACY OUTLOOK

Hear from senior industry executives on what companies are doing to ensure consumers continue to have access to reliable and economical natural gas. Leaders will also discuss how they attract and retain quality employees.

LUNCH

Special Guest Speaker

Engage

ATTEND

The Natural Gas Association of Georgia was established in 2015 and has been working behind the scenes for the industry. NGA is poised to be the singular voice for natural gas in the state. This Summit represents the first industry-wide collaboration of utilities, suppliers, and manufacturers. Get to know your colleagues, partners and potential customers, and stay on top of the latest advocacy and marketing initiatives to promote the safe, direct use of natural gas throughout Georgia!

Health & Safety

OUR COMMITMENT TO YOU

STATEMENT FROM NGA OF GEORGIA

The Natural Gas Association of Georgia is committed to the health and safety of everyone who attends and supports this event. Your event registration fees will be 100% refundable up to March 10, 2021, should you or your company have any concerns about COVID. We look forward to seeing you in the Spring!

STATEMENT FROM LANIER ISLANDS

Lanier Islands takes great pride in the cleanliness of our property and facilities at all times. We are passionately committed to following the guidelines set forth by the CDC for prevention of the spread of COVID-19, including frequent sanitation of all common areas with designated sanitizing agents and electrostatic foggers. Hand-sanitation stations have been installed throughout the property, and we continue to monitor and enforce social distancing and face-covering guidelines for guests and staff. Face masks are required for all interior public areas such as the Legacy Lodge lobby, corridors, elevators, golf shop, and restaurant entrances.

WHAT YOU CAN EXPECT OF US:

CLEANING: We have enhanced the protocols and increased the frequency of public sanitation procedures, with a particular focus on key touch points and common areas. Electrostatic foggers are being used throughout the resort for the most thorough sanitation of surfaces.

PROTECTIVE WEAR: All associates are required to wear personal protective equipment, including masks and gloves, to keep themselves and our guests safe.

EMPLOYEE SCREENINGS: All associates are screened for fevers and symptoms prior to starting each shift.

NO TOUCH ZONES: We have designated Touch-Free Zones with signage throughout the resort.

DINING: Our restaurants and bars are open with social distancing measures in place. Extra staff are on the floor to ensure continuous cleaning and sanitizing is being maintained. Carry-out food is also available.

GUEST ROOM DEEP CLEANING: All guest rooms are fully sanitized after each stay, including special attention to high-touch areas such as light switches, doorknobs, phones, and remote controls. Sanitation seals are placed on doors once sanitation is complete. We have suspended mid-stay housekeeping service; however additional towels and linens are available upon request.

TWO TEAM MEMBER APPROACH: To minimize cross-contamination when servicing guest rooms, one team member removes all soiled linens and cleans the entire guest room. A second team member then follows to sanitize the room and provide fresh, clean linens for the beds and bathrooms.

WHAT WE ASK OF YOU:

SOCIAL DISTANCING: Please allow six feet of space between you, other guests, and employees.

DO NOT CONGREGATE: Avoid gathering large groups in common areas such as the lobby, bars, and restaurants.

WEAR A MASK: Effective 8/1/2020: Masks will be required in all common interior areas such as the Legacy Lodge lobby, corridors, elevators, golf shop, and restaurant entrances and exits. For outdoor areas such as the pool deck and golf course, masks will remain recommended, but not required.

WASH HANDS: Frequent handwashing is our best defense against the virus.

ENTRANCES: Observe doors marked as entrances or exits and use only as marked.
